Pastor Changed At Methodist Church

Rev. W. S. Dawson to Replace Dr. Walls

Among the 108 changes in the pastorate of the Methodist Episcopal Church, as announced this week at the District Convention, was the appointment of a new pastor for the Narberth M. E. Church.

The Rev. Arthur S. Walls, the former pastor, has been assigned to the Swarthmore Church, and has been replaced by the Rev. W. Sherman Dawson, who comes here from the Fritz Memorial Church, Bethlehem.

Mr. Dawson is a minister of broad experience, having been preaching since 1898, and a member of the Philadelphia Conference since 1903. His first charge was at Rumboldville, since which he has served at Glen Don, Cherry Valley, Slatington, Willow Grove, Gilberton, North Wales, Hatboro, Bangor, and finally Bethlehem.

He will preach his first sermon as pastor of the Narberth church next Sunday, April 6th, and will appear at both the morning and evening service. It is expected that Rev. Dawson will take up his residence in Narberth next Thursday, April 10th. This date has been selected by the conference as the uniform "moving day" for the entire group of 108 changing ministers. This plan prevents confusion in the changes of residence.

Dr. Walls has been in charge of the "Little Church on the Hill" for the past four years, succeeding the Rev. Frank M. Gray. His pastorate has been a successful one. During that period the indebtedness of the church has been wiped out, better sanitary conditions and additional conveniences, such as a kitchen installed, and the paving of Price avenue completed. The church took an active part in this improvement, joining with other property owners in the expense.

The membership of the parish has been increased from 273 to 340, and the income almost doubled. The actual number of new members received into the church by Dr. Walls was 140 during this period, representing a net gain in membership of 67. The work of the Sunday School has been kept at a high point of efficiency, despite limitations of room.

In 1921 the Rev. Walls was the baccalaureate speaker at the commencement of his alma mater, Washington College, from which he received at that time the honorary degree of Doctor of Divinity. Last year he preached the baccalaureate to the graduates of the Narberth High School, since combined with Lower Merion.

In his new work Dr. Walls will have as part of his congregation students and faculty members of Swarthmore College. It is interesting to note that he will not be entirely cut of touch with his former home, for the Secretary of the Board of the new church boasts of the name Octavius Narberth.

SPRING FASHIONS

In spite of the wintry weather last Tuesday, spring was evident at the Style Show given by Strawbridge & Clothier at the meeting of the Women's Community Club in the Y. M. C. A.

Preceding the showing of gowns, hats, etc., Mrs. E. C. Batchelor gave a brief report of the doings of Congress and the present "Oil Scandal." Mrs. L. C. Douglass, who has been appointed business manager of the gymnasium class, gave a report of its progress and financial affairs. Mrs. George N. Gill reported the sending of two large boxes to the Crossmore School in North Carolina and told of a third box just started.

Miss Isabel Stroble, of the lecture bureau of Strawbridge & Clothier, then talked of the "Clothing Budget and Clothes." One of the points she stressed was the length of the present-day styles, which, she said, should be from five to nine inches off the floor, with the exception of the tailored suit, which should be a full ten inches from the floor.

Living models demonstrated a bewildering variety of frocks and hats in all materials and for all occasions. Many sports frocks were shown, one having a very interesting cape effect in the back.

Almost all materials were shown for the afternoon costume, from taffeta for the slender figure to foulard and crepe de chine for the more matronly one.

After the fashion show the meeting adjourned for the social hour with Mrs. Ralph Duane as hostess.

Choral Society at Ardmore Thursday

Local Singers to Present Fine Program

With their final rehearsal at the Y. M. C. A. on Thursday night, the Choral Society is now ready for its Spring Concert. The program as given in these columns last week was followed, and special attention given to each number with respect to shading and balance. Everything worked out so well that Mr. Bentz said there would be no changes made. That means that the Ardmore Theatre on Sunday afternoon will be the scene of a concert that will mark a milestone in the history of the Narberth Choral Society.

Special notice of Narberth people is called to the fact that the concert will start at 3.45 instead of the usual hour. This change was made to enable those who will go to Ardmore by train to take the 3.32 from Narberth. Other wise it would have been necessary to go an hour earlier. Such things only go to show what great additional burden has been put upon the organization this year because there is no place in Narberth where the concert could be given. It should also be a gentle reminder of the need for a new community center.

As for the program itself, little need be said here. Its publication met with a hearty response, as has been evidenced by the demand for tickets. Many inquiries have been made as to the assisting soloist, Gisha Monasevitch.

He is a youthful violinist who won the Stokowski gold medal in 1923. This winter he has appeared in several Philadelphia concerts, notably twice as soloist for the Philadelphia Orchestra during the month of March. His playing should be a feature of the program. The choral numbers are divided into four groups, half of them being sacred numbers in keeping with the day. Probably the most difficult will be the first one, "Ascendit Deus," by Palestrina. Following that will be Bachmanoff's "Ave Maria." Two negro spirituals by Dett and Johnson will mark a new departure in the repertoire of the Choral and should be received with interest. Of a much different nature will be the Spanish folksongs and an Irish ballad. For the finale, the theatre organ, with Mr. Hessler at the console, and the piano will be used to accompany "The Recessional," as arranged by H. Alexander Matthews. Incidental soprano solos will be by Mrs. Wm. P. Bentz and Mr. Horace Enriken, of Ardmore, will sing the tenor solos.

Every effort has been exerted to make this the biggest affair in the history of the Choral, which started in Narberth, and has always had its support from Narberth. This is the time for a manifestation of community spirit, so that the Ardmore Theatre may be filled next Sunday afternoon as a demonstration to the whole Main Line that our size is no criterion as to the limit of what we can do.

Enclosed with his April 1 bill each Bell subscriber in Pennsylvania will get a notice stating to what extent the new rate will affect his service. In addition the complete schedules as filed with the Public Service Commission will be on file in all of the business offices of the telephone company.

MRS. ARABELLA GRAHAM LINDSEY

Mrs. Arabella Graham Lindsey died on Wednesday afternoon at the home of her daughter, Mrs. Martha G. L. Simpson, 201 Woodside avenue.

Mrs. Lindsey had been ill four months. Her death was due to pernicious anemia. She had been a resident of Narberth for 18 years.

She was the widow of the late William A. Lindsey and is survived by two children, Mrs. B. G. Simpson, of Narberth, and Mr. William D. Lindsey, of South Orange, New Jersey.

The funeral services, which were private, were held at the home yesterday afternoon.

LEST YOU FORGET

The Juniors of the Narberth Tennis Club are going to hold their Spring Dance at Elm Hall on Saturday, April 13, 1924. Of course Mike Fisch and his famous jazz orchestra will be the feature of the evening. Dancing will start at nine and continue until midnight and special prizes will be given for a lucky number dance. Tickets can be obtained from any of the Junior members or at the door the evening of the dance.

Keep the date in mind—Saturday evening—April 12th—Elm Hall—dancing from nine until twelve.

Come on, fellows, let's show them that the Junior members can run a better dance than the old fellows.

The backbone of winter has been broken—again.

Local Phone Rates Not Changed

Company Announces New Rate Schedule

A new schedule of telephone rates affecting certain classes of local service in approximately one hundred exchanges in Pennsylvania and making several changes in long distance rates, was filed with the Public Service Commission Tuesday by the Bell Telephone Company of Pennsylvania, to become effective May 1.

No change will be made in the local telephone rates for Narberth under the new schedule.

Business rates in general in Philadelphia and Pittsburgh will be increased by the new schedule, as will some residence party-line rates in Philadelphia.

The new rates provide a charge of \$1.00 for a new installation of a business telephone instead of \$2.50, as at present. The rate for a new installation of a residence telephone will not be changed, nor will that for "left in" stations, where a telephone left by one subscriber is taken over by another moving in.

The rates for private branch exchange equipment, private lines, etc., are affected by the new schedule. It also provides that only one directory listing per subscriber shall be free, and that additional listings shall be charged for at the rate of 25c. per month.

Charge for Delayed Payment

Where telephone service has been denied for non-payment of bills, there will be a restoral of service charge of \$1.00 under the new schedule, a measure which telephone officials believe will decrease the cost of collections.

A change is also made in the rate schedule for long distance messages that will add five cents to station-to-station day rate calls over distances of approximately 30 to 104 miles inclusive. At present the rate is five cents for the first six miles and five cents more for each additional six miles thereafter up to 24 miles. From that point on the rate increases five cents for each additional eight miles. But under the new schedule the rate will be increased five cents for each additional six miles up to forty-eight miles, and thereafter in eight-mile steps as at present. Calls to points more than 104 miles distant, however, will not be changed from the present schedule.

Person-to-person rates, under the new schedule, where the distance is more than 30 miles and not more than 112 miles, will be increased by amounts ranging from 5 cents to 15 cents.

Enclosed with his April 1 bill each Bell subscriber in Pennsylvania will get a notice stating to what extent the new rate will affect his service. In addition the complete schedules as filed with the Public Service Commission will be on file in all of the business offices of the telephone company.

AFTER MORE MEMBERS

All Narberth girls eligible to membership in the Junior Community Club who have not as yet taken the necessary steps to become a member of that organization, will be interested in the "bargain" which is now offered them by the Membership Committee.

Yearly dues for the club amount to \$1.50. These, together with the initiation fee of \$1.00, make the total cost of club membership for the first year \$2.50. The special offer proposed by the Membership Committee allows any new member, providing she enters before April 30th, the privilege of attending club meetings for the remainder of the present year, as well as all the rights adherent to membership, for the consideration of \$1.00. This dollar will be applied to the 1924 dues as initiation fee, which means that the dollar applied now as entrance fee entitles one to membership this fall at the flat rate of \$1.50 as paid by all continuing members.

In view of the fact that the 1923-24 season does not end before the early part of June, it can readily be seen that the club is making a generous concession in order to offer all those who, for diversified reasons, were unable to enter the club before the membership lists were closed.

A communication addressed to Dorothy Wilson, Secretary, Wayne avenue, Narberth, will be sufficient to have an interested person's name passed upon by the club at its next meeting, Thursday evening, April 10th, or the presence of that person, plus one dollar, at the meeting mentioned above will insure prompt action on the part of the organization and lasting pleasure on the part of the applicant.

Little Contest in County

Narberth Names Figure On Official Ballot

A copy of the official order in which candidates' names will be placed on the ballot at the spring primaries has been received by the County Commissioners. With only one county contest of importance in Republican ranks, interest lies more in the Democratic party, where two factions are seeking control of the party.

The Third Assembly District of the county, where three Republican representative candidates must be chosen, has four aspirants. David A. Orr's name is first on the list, J. W. Storch, second; Minnie Stewart Just, third, and Burd B. Evans, fourth.

For delegate to the Democratic convention from the Ninth Congressional District, Webster Grim, of Bucks County, heads the list. Charles D. McAvoy is second; D. J. Keck, also of Montgomery, is third, and J. Claude Bowen, of Bucks, is fourth.

The Democratic Assembly layout also has four candidates for the three nominations. J. Warren Anderson, of Limerick, is first; Milton N. Royer, Salford, second; Ammon B. Mensch, Douglass, third; John Wolfgang, North Wales, fourth.

Narberth Man Candidate

Neither the First nor Second Districts will have civil strife for Assembly jobs. The Republicans have Benjamin H. Ludlow, of Lower Merion, for the First District, and George M. Pratt, of Norristown, in the Second. The Democratic party's standard bearers in the First and Second are Winfield H. Cook, of Narberth, and Edward P. Kennedy, of Norristown.

Three candidates for alternate delegate to the Democratic National Convention are on the ticket. Harvey Christman and Michael F. Moore are from Montgomery County and Elizabeth F. Jones, of Bucks. Four aspire to the post of member of the Democratic State Committee: Stephen W. Nason, Hatboro; William H. Kern, Red Hill; J. J. Kane, Norristown, and J. F. Weyand, Pennsylvania.

On Tuesday the County Commissioners conducted drawings for places on the ballot for committeemen and committeewomen, in those districts where contests are to be waged. Notices were sent to all candidates, but none appeared to draw their position, so Miss Edith Boucher, Secretary of the County Commissioners, performed the office.

In Narberth the candidate for committeeman and committeewoman in the order drawn are Bobb B. Downes and Charles V. Noel.

QUICK SERVICE

A former Narberthite, now living in Cambridge, Mass., and still a faithful subscriber to "Our Town," reports that last Saturday's copy reached him in time for breakfast Saturday morning—the day of publication. That is as quick as our local readers get them. There was evidently more than talk in the recent postal order that newspapers be dispatched with the speed of letters.

The same correspondent, in commenting upon the article last week reviewing the prominence of Narberth in the sporting world, writes: "You omitted the name of a certain prominent South Sider who holds the world's record for sprinting to the 8.29 train."

CAFETERIA SUPPER

Two events are planned by the Community Club for next week, to which everyone is invited.

On the evening of Wednesday, April 9th, a cafeteria supper will be served, at a charge of 50 cents. It will be an all-home-cooked New England supper. The charge includes coffee and rolls, though dessert will be extra.

The following evening a demonstration supper will be the order of the day. Both affairs will be from 5.30 to 7.00 P. M.

Mrs. W. E. Boryer and her daughter Shirley are spending the week in New York with Mrs. Boryer's mother, Mrs. A. W. Crossley.

ORCHESTRA CONCERT

It will be a pleasant surprise for those who have heard the regular Main Line Orchestra concerts this year to know that a special concert is to be given Friday evening, April 11th, in the Junior High School in Ardmore.

The proceeds of this concert are to be given to the Lower Merion High School Memorial Scholarship Fund, which is within \$1,500 of the \$5,000 needed to endow the Scholarship. It is hoped that the Orchestra will be supported as well in this concert as in those of its regular schedule.

Although the Main Line Orchestra had a concert on March 30th, the program on Friday, April 11th, will consist of different works. Mr. Adolph Vogel, conductor of the Orchestra, announces the feature numbers to be played by the Orchestra will be "The Unfinished Symphony," first movement by Schubert, and "Prelude," by Rachmaninoff; other numbers are by Florent Schmitt, Grieg, German and Mascagni.

Local Lad Feature

Master Fred Fletcher Patton, the twelve-year-old violinist, will be the soloist at this concert. Master Patton is a pupil of Miss Ann Jackson and was one of the original members of the Main Line Orchestra. He has been playing concerts for the past two years, his last appearance being at the Baptist Temple, where a concert was given for the benefit of the "Great Heart Hospital," and after which he received an ovation for his work. He is a resident of Narberth and a student of Lower Merion High School, facts which should assure him a warm reception.

Mr. Charles Powell, president of the Main Line Orchestra, has been planning for some time to give a concert for the Scholarship Fund, but he has deliberately withheld the date until after the completion of the new Junior High School, so that those attending the concert might have the additional pleasure of seeing one of the finest school auditoriums in the country.

A dance will be given in the gymnasium of the Junior High School immediately following the concert. Tickets including concert and dance are 75 cents each and may be secured at Moore's Pharmacy, Bryn Mawr; Mrs. N. T. Ruddick's Store, Ardmore; White's Sweet Shop, Narberth; King's Drug Store, Cynwyd.

LOWER MERION HIGH NOTES

Snow Chases Baseballers

The first baseball game on Lower Merion High's 1924 diamond schedule was postponed Tuesday when Old Man April blew in with a blizzard and a near foot of snow. No arrangements had been made by the management for running out hits with snow shoes, hence word calling off hostilities until a more favorable date was sent by Manager "Pop" Fleming to Lansdowne High, which was to have provided opposition to the Maroon and White nine.

Tuesday, in morning assembly, a current event talk was given by Joseph Armour. He told about the attempts being made by American and British flyers to circumnavigate the globe by air and the latest in the Teapot Dome scandal and the Coolidge Presidential boom.

Another current event program was given in the auditorium last Friday morning at assembly.

The Friday Scripture quotations at Lower Merion have been resumed. Under the plan now in practice any student who so wishes may get up in assembly on Friday mornings and give Scripture quotations from the Bible.

Senior Plays

The Seniors are now busy on rehearsals of a series of Senior Class plays which will be given at a special performance in the High School in Ardmore in May. Several plays have been chosen, among them being "The Trysting Place," by Booth Tarkington. "Turtle Dove" and "Exchange."

Miss Frieda Sonn is chairman of the student committee in charge. Her chief assistant is Russell Byrnes. Miss Holland and Miss Kohler, the Senior English teachers, are directing the rehearsals.

ELECTION LECTURES FOR WOMEN

For the purpose of increasing the interest of the women of Pennsylvania in the April Primary Election, the Pennsylvania State League of Women Voters has arranged an intensive course of lectures, to be given at 1725 Spruce Street, on subjects related to the Primary and General Elections and the 1925 Legislative Session, for the week of April 14th, and supper for the five nights will be provided and served by these five County Leagues in order: Philadelphia, Montgomery, Delaware, Bucks and Chester. Supper will be served promptly at six o'clock and the lecture will begin at seven, so that other engagements may be made for theatres, concerts, etc.

On Monday, April 14th, Franklin Spencer Edmonds will talk on "The Presidential Election."

Tuesday, April 15th, Mrs. John O. Miller on "Modern Trends in Politics."

Wednesday, April 16th, Benjamin H. Ludlow on "Taxation."

Thursday, April 17th, Roland S. Morris on "Theory and Practice of the Primary."

Friday, April 18th, Thomas Raeburn White on "Constitutional Convention."

The price of the course ticket, including five suppers and five lectures, is only \$3.75, and the tickets, which are transferable, may be purchased from the chairman of every district.

UP FROM THE 'STOVE COMMITTEE'

In the old days when communities were small it was very easy to get the news. The "stove committee" met each evening in the village store. The chief men gathered there and sat round the pot-bellied wood burner and the sawdust box and smoked and chewed tobacco. They gossiped, talked politics, argued on religion, compared experiences, heard the news and carried it home. The "stove committee" of the village store has been a very fundamental institution in the development of American social and civic life.

But as each community has grown large there has always come a time when all the thinking men of the town could no longer meet together around a stove. There were too many of them. Some new method of expression had begun to be vitally needed to tell the news and what men thought about it—and they seized upon the art of printing. So it has been in town after town over the world—first a "stove committee," then a newspaper. And the press in every case has sprung from the community because the community needed a vehicle for expression.

RETIRES AS PRESIDENT

Robert J. Edgar, of Windsor avenue, was made an honorary member of the Executive Committee of the Montgomery County Tuberculosis League this week upon his retirement from the presidency, which he has held for two years. Mr. Edgar was one of the leaders in the movement which resulted in the successful vote for a Tuberculosis Hospital. Mrs. Romaine C. Hoffman is the other Narberth member of the board.

Those who attended the dinner and "500" party which Mr. and Mrs. Harry Roser, of 471 Brookhurst avenue, gave on Friday in honor of Mrs. Stiles and Walter Stiles, included Mr. and Mrs. J. Baron, Ardmore; Mr. and Mrs. Leigh Durham, Mr. and Mrs. Walter Kelley, Mr. and Mrs. Howard Alexander, Mr. and Mrs. Lee Manchester.

Miss Emma Deal Mathias, of Bryn Mawr, has sold her property, southwest corner Grayling and Windsor avenues, to Dr. E. Roland Hearne. Miss Mathias was represented in the sale by John A. Caldwell, of Narberth, and the purchaser was represented by Frederick Hermann, 1318 Locust street.

Arrange a nice little home for the house wrens, which will soon be here again.

This Did Not Merely "Happen"

Surely it was not just a happenstance that in the month of March, 293 new customers came to us for their coal needs.

It did not merely happen that these new customers obtained from us what they ordered, when they wanted it, without our sacrificing one bit of service to our host of old friends.

Surely it is not merely chance that our second birthday finds us a healthy growing firm, with a constantly increasing list of customers.

Back of our steady growth are these definite things:

Quality merchandise—adequate delivery facilities—courteous employees—fair prices—liberal cash discounts.

SCHOOL NEWS

Announcement has been made of the National Good Road Essay Contest for the Harvey S. Firestone University Scholarship of 1924.

The subject will be "The Relation of Improved Highways to Home Life." The Highway Education Board of Washington D. C., announces the fifth annual renewal of the National Good Road Essay Contest. To the students of high school grade writing and submitting the best essay upon this subject will be awarded the Harvey S. Firestone University Scholarship, providing all tuition and expenses for a four-year course in any college or university in the country.

The rules governing the contest provides that the essay shall not exceed 700 words in length; they must be submitted on or before April 21, 1924, one side of the paper only should be used; each manuscript must bear the name, school, grade and home address of the writer; essays should be submitted to the principal or superintendent of the school with the request that it be entered in the contest; contestants are placed on their honor to submit only manuscripts which they originated and prepared personally; there are no restrictions in the manner in which information upon the subject can be obtained; in fact, discussion of this topic with teachers, parents, and public officials is urged. We hope that many of our students will compete and win honors for our school.

Limerick Contests

Beginning last Friday, March 29, a series of limericks will appear simultaneously in "The Ardmore Chronicle," "The Bryn Mawr Home News," and "The Wayne Suburban." It is the purpose of these limericks to impress the rules of health on the school children.

Only children between the ages of 6 and 14 may compete. Every contestant must give the name of the school attended.

All pupils are urged to enter the contest. First prizes of \$5.00 and second prizes of \$2.00 will be offered by the Philadelphia Interstate Dairy Council each week.

D. A. R. Contest

The Daughters of the American Revolution have recently offered a ten-dollar gold piece to the student of the Freshman Class submitting the best article on any subject of historical interest, preferably in this vicinity.

A committee of the school faculty will judge the five best papers from the entire class; then the final decision will be given by a committee of the D. A. R. The prize will be awarded some time before Memorial Day.

Our school will be closed at noon on April 10th and 11th in order that the teachers may attend the meetings of the Schoolmen's Week at the University of Pennsylvania.

The schools will close for the Easter vacation on Wednesday, April 16, at the usual closing hour, and re-open on Tuesday, April 22nd. June 20th has been fixed as the closing date of school.

Miss Walker, the teacher of the 2nd Grade, has been compelled to resign as a result of an operation. Mrs. Fretz is filling her place at the present time.

Miss Jenkins' reading class of the 7th grade has recently been studying "Norwegian Myths." To illustrate some of the stories, part of Wagnerian Operas were played. Some of these

were "Seigfried's Call," "The Ride of Valkyries," and "Wotan's Farewell and Magic Fire Music."

The charming operetta, "Hiawatha's Child," to be given by the girls of our school, has been postponed until April 25, because it conflicts with other events of the preceding week. We hope you will give us your support and keep the night of the 25th open.

THE MERION TITLE AND TRUST COMPANY

Ardmore, Pa.

Narberth Bala-Cynwyd

Why?

Why are we asking for higher rates at a time when everyone is hoping and looking for lower prices generally?

When we adopted our present rates we had some 600,000 telephones in Pennsylvania. Most of the plant for their operation was installed at prices averaging those of 1912 and 1913 for labor and materials, and these rates were calculated to allow a fair return on that investment.

Since May, 1920, we have put in

half a million telephones (for a net gain of 200,000), and all of them, including the additional new plant required for their operation, at the new cost levels.

Telephone plant wears out. All replacements, too, have been made at these higher prices.

In the next five years we must put in 925,000 new telephones, gross, to meet the demands of the people of Pennsylvania for service.

Here is the point!

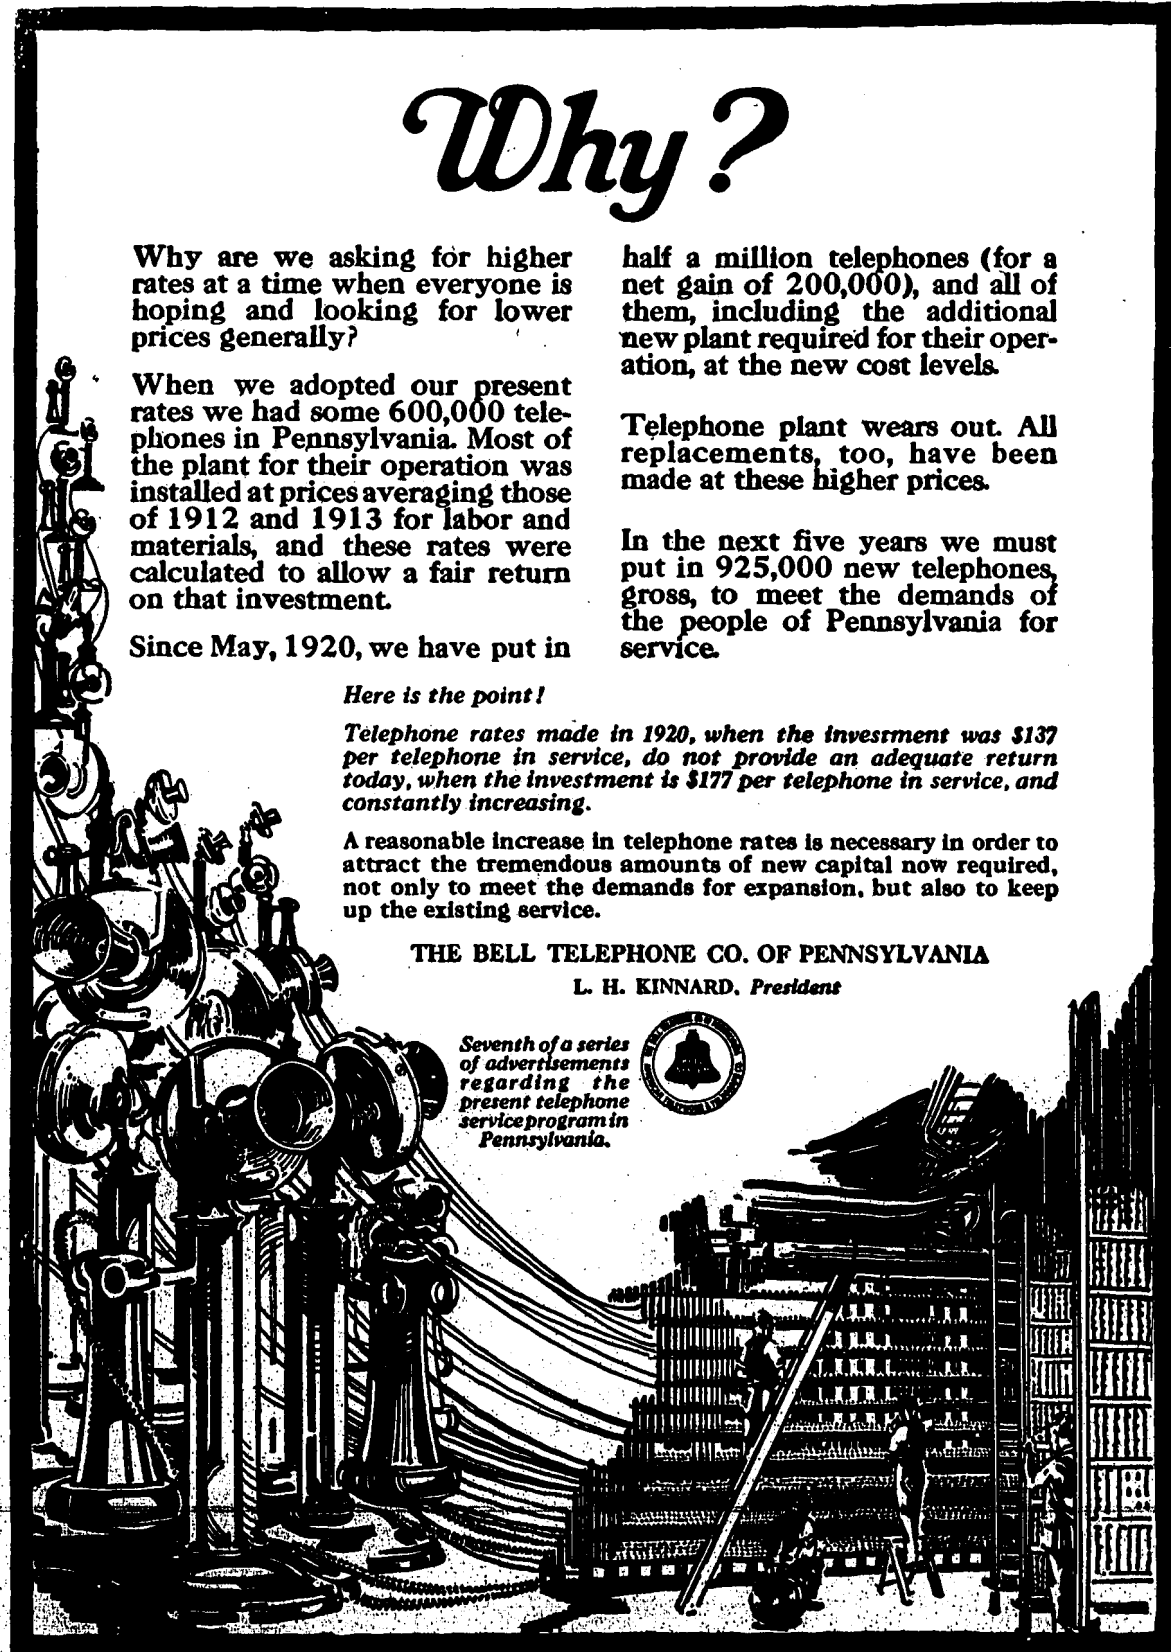

Telephone rates made in 1920, when the investment was \$137 per telephone in service, do not provide an adequate return today, when the investment is \$177 per telephone in service, and constantly increasing.

A reasonable increase in telephone rates is necessary in order to attract the tremendous amounts of new capital now required, not only to meet the demands for expansion, but also to keep up the existing service.

METHODISTS WIN CUP

The Methodist team of the Inter-Church Bowling League, won the championship of the League by defeating the Baptists in the play-off games on Monday night, March 31st. The Methodists were winners of the first half of the season and the Baptists were on top in the second half. The winners this year are to receive a silver loving cup, and both teams were keen for the trophy. The Methodists rolled up a big score in the first game and won it. They also won the second game, but by a smaller score. The Baptists won the third.

In addition, to the cup to the winning team, three individual prizes, silver belt buckles properly inscribed, will be presented for the highest single score, for the highest average score, and for the highest score in three successive games. The prize for the high single score was won by H. T. Smedley, Baptist, who rolled 212, and was followed closely by Larer, Presbyterian, with 211. The high average prize was captured by Nicholson, Baptist, whose average for twenty-six games was 158, and was closely pressed by Albert, Lutheran, with 156.9, for 23 games, Bailey, Methodist, 154.9 for 27 games, Larer, Presbyterian, 154 for 33 games, H. T. Smedley, Baptist, 153 for 33 games, and Weiss, Lutheran, 150 for 24 games. Albert, Lutheran, ran away with the high three prize when he rolled 558 in three games on March 24th.

On Monday night, April 7th, the men who have participated in the games on the various teams during the season will journey to Philadelphia where the alleys of one of the prominent clubs have been secured for the evening, and the season will be closed with a free-for-all match. It is hoped to have the prizes ready for distribution at that time.
